Allen:

Reference is made to your letter of June 11, 1976, in which you refer to the memorandum decision of June 9, 1972, by Hubert C. Lambert regarding meters in Beaver Valley and withdrawal of water from underground sources.

I am sending a copy to my area engineer and asking him to report on the situation. At that time I will get in touch with you, and we will go over it further.

Yours truly,

Donald C. Norseth
